PROSPECTUS

Welcome to **DOON PUBLIC SCHOOL, ETAH**

The Principal's Perspective

Dear Parents, Students and Esteemed Stakeholders,

As the Principal of Doon Public School, Etah, it brings me great pleasure to extend a warm welcome to each one of you.

In the 21st century, fostering a 21st-century mind is not just a goal, it is a necessity. In a world where today's relevant skills risk becoming tomorrow's outdated ones, we, at Doon Public School, emphasize the importance of being techno-savvy. Our focus is on preparing contemporary students who possess the ability to not only adapt but to constantly invent and reinvent themselves, ensuring they keep pace with the dynamic demands of the modern world.

While we are dedicated to instilling a progressive mind set, we equally value and care for our rich Indian value system and ethos. At Doon Public School, we celebrate all Indian festivals with pomp and enthusiasm, fostering a sense of cultural pride and unity among our students.

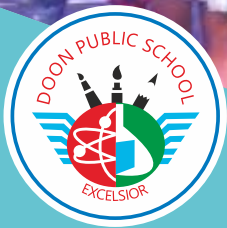

In our commitment to providing a cutting-edge education, we have integrated modern technology into our teaching methodologies. Our classrooms are equipped with smart boards, and we have specialized labs, including a Maths lab, 3-D printer, robotics lab, and language lab, ensuring that our students are well-versed in the tools that define the contemporary educational landscape.

To prospective students and their families, I extend a heart felt invitation to join us on this journey of transformation. At Doon Public School, we welcome you to witness the change, be a part of our dynamic learning environment, and contribute to shaping the future of our students.

Looking forward to your presence and collaboration.

Warm regards,

Mr. Vishwanath Pandey
Principal
Doon Public School, Etah

OUR VISION

We strive to create relevant learning opportunities for students both inside and outside the classroom that help them develop the knowledge, problem solving, leadership, critical thinking skills, communication, interpersonal skills, and character necessary to succeed in a technologically advanced world.

OUR MISSION

- Empower students to acquire, demonstrate, articulate and value knowledge and skills that will support them, as life-long learners to participate in and contribute to the global world.
- We strive to support this environment by building a more inclusive curriculum, addressing a range of learning styles, offering a wide array of diversity efforts and programs, and by participating in the wider community.
- Enable all students to embrace learning, achieve their personal best and build their emotional, social and physical well-being to cope with a changing post-modern world.

OUR UNIQUE PEDAGOGY

Implement a curriculum for intellectual, mental, physical, socio-emotional, and spiritual progress to achieve ambidextrous development.

OUR EXCELLENCE

We guide each child to unlock their true potential so that they can set new milestones towards personal excellence. We instil in each child the will to succeed, light the desire to win and inspire each child to reach greater heights of glory.

HOLISTIC DEVELOPMENT

An efficient and effective education system is incorporated to provide holistic development to each unique and outstanding child.

PERSONAL ATTENTION

Each student's overall progress is closely monitored, ensuring that each child instils the skills and confidence to face the challenges of life successfully.

BEST-IN-CLASS INFRASTRUCTURE

Our state-of-the-art infrastructure aids in the smooth and efficient dissemination of learning in the most student-friendly manner.

SAFE CAMPUS

We have a well-equipped CCTV monitored safe and green campus. The entire campus is environment friendly, with 100s of varieties of flora spread all across the campus.

“The function of education is to teach one to think intensively and to think critically. Intelligence plus character—that is the goal of true education.”

— Martin Luther King, Jr.

REGISTRATION, AGE CRITERIA & ADMISSION

Admissions are done on the basis of seats available in a particular class and the child must have passed the Previous class from a recognized school affiliated to any State Board of School Education / CBSE.

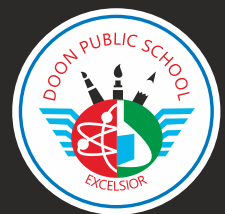

The age limit (as on 1st April) for different classes is as under :

Pre Primary	Primary	Middle School	Secondary & Senior Secondary

L.K.G Age - 4 Years	Class II Age - 7 Years	Class VII Age - 12 Years	Class X Age - 15 Years
U.K.G Age - 5 Years	Class III Age - 8 Years	Class VIII Age - 13 Years	Class XI Age - 16 Years
	Class IV Age - 9 Years		Class XII Age - 17 Years
	Class V Age - 10 Years		

REQUIRED DOCUMENTS FOR ADMISSION

The following documents should compulsorily be attached with the registration form :-

- Birth Certificate of child
- School Leaving Certificate obtained from the school last attended. (T.C.)
- Copy of Report Card / Mark Sheet of the previous class.
- One Photograph of the applicant and one photograph each of Mother & Father / Guardian.
- Copy of Aadhar Card of the child, Mother & Father / Guardian.

SCHOOL INFRASTRUCTURE

Our school boasts a safe, spacious, and modern infrastructure designed to support academic excellence and overall development. Well-ventilated classrooms, well-equipped laboratories, activity rooms, and open play areas create a comfortable and stimulating learning atmosphere. The campus is child-friendly, secure, and thoughtfully planned to encourage learning, creativity, and physical well-being.

CLASSROOMS

All our classrooms are designed to provide a comfortable and technologically advanced learning environment. Each classroom is equipped with air conditioning for optimal temperature control, ensuring a conducive atmosphere for focused learning. The furniture is smartly designed to accommodate modern teaching methods, promoting an interactive and engaging experience. Additionally, every class and laboratory is facilitated with internet connectivity, allowing students and teachers access to online resources and enhancing the overall learning experience through technology integration.

MATHS LAB

The school features a comprehensive Mathematics laboratory, offering students exposure to this facility starting from the 1st grade. Within this lab, children can engage in hands-on experimentation and exploration of teaching and learning materials. It serves as a space where a diverse array of games, puzzles, and tangible representations of mathematical concepts are available. The activities conducted in the maths lab are designed to appeal to children of various ages and different levels of mathematical proficiency.

ROBOTICS LAB

Within this laboratory, students have the opportunity to grasp Physics and Maths concepts through the use of robots. The CBSE has introduced '**Artificial Intelligence**' as a skill subject and this lab is designed to meet that requirement. The integration of big data and AI is poised to revolutionize traditional classroom teaching methodologies.

ART AND CRAFT ROOM

The schedule incorporates allocated slots for routine sketching, drawing, painting, art and craft classes at varying levels. In the Art and Craft room, students convene to participate in the crafting of diverse items. These sessions encompass a range of activities, including pottery, flower crafting, doll-making, tie-dye and painting.

COMPUTER LAB

In view of the fast changing socio-cultural scenario and the growing need of information technology, we offer an intensive computer initiation and training to the students. This lab can accommodate up to 30 students at a time.

SWIMMING POOL

The school boasts a 25-meter-long swimming pool featuring six lanes, providing an excellent facility for students to acquire the crucial life skill of swimming. Both girls and boys have the opportunity to visit the pool separately, ensuring a comfortable and inclusive learning environment. Our experienced coaches, who are well-versed in their field, are dedicated to training the children and fostering their swimming abilities.

LIBRARY

The school library serves as a vast repository of knowledge, housing an extensive collection of books that span a diverse range of subjects. Students have access to a rich variety of literature covering Science, Mathematics, History, Literature, Fiction and Languages. The library is not only a source of traditional printed books but also boasts a substantial collection of e-books in its digital library, providing students with a modern and convenient way to access resources. This diverse collection caters to the academic and recreational needs of students, fostering a love for reading and exploration.

OPEN GYM AND ACTIVITY AREA

The activity area is equipped with functional gym equipment and diverse slides, fostering an environment that encourages unstructured play for children. By providing such an atmosphere, we contribute to enhancing their physical health, consequently improving their potential for success in the academic setting.

MONTESSORI LAB (PRE-PRIMARY)

Our Montessori Lab is a thoughtfully designed learning space for pre-primary students, where education happens through hands-on experiences and purposeful play. The lab is equipped with scientifically designed Montessori materials that help children develop fine motor skills, coordination, concentration, and independence. It strengthens early concepts of language, numeracy, sensory awareness, and practical life skills in a joyful, child-centric environment that nurtures natural curiosity and confidence.

LANGUAGE LAB

The Language Lab offers an interactive and technology-enabled environment to strengthen students' communication skills across all age groups. Through audio-visual aids, structured modules, pronunciation practice, and listening exercises, students enhance their speaking, reading, and comprehension abilities. The lab builds confidence, fluency, and clarity in expression, enabling students to communicate effectively in academic as well as real-life situations.

SCOUTS AND GUIDES

The Scouts and Guides programme helps students develop discipline, leadership, teamwork, and a sense of responsibility. Through various activities, camps, and community service, students learn life skills, self-confidence, and the importance of helping others. The programme encourages patriotism, character building, and active citizenship from an early age.

WELL EQUIPPED SCIENCE LABORATORIES

Well Equipped Science Laboratories We possess contemporary, adequately equipped, and generously spaced Physics, Chemistry, and Biology laboratories, capable of accommodating 30 students simultaneously. These laboratories fulfill all the essential requirements for student experiments. Comprehensive safety measures and facilities are diligently implemented to ensure a secure environment when students conduct experiments in these labs.

Biology Lab

Chemistry Lab

Physics Lab

GAME & SPORTS

Contemporary educational institutions face the dual challenge of not only preparing students for their future careers but also instilling essential life skills, habits, and attitudes crucial for successful navigation through adulthood. Achieving an optimal learning experience involves a blend of indoor instruction and outdoor physical activity.

Consequently, our school has introduced a diverse range of sports activities on campus, including Athletics, Badminton, Ball Badminton, Cricket, Chess, Carom, Football, Hand Ball, Kabbadi, Kho-Kho, Softball, Table Tennis, Throw Ball, swimming and Volleyball.

FOOTBALL

HOCKEY

YOGA

MUSIC

In our school curriculum, music holds a vital place, providing students with valuable chances to enhance their learning, attain excellence and display their musical and dance talents. This program serves as a constructive avenue, particularly for students encountering difficulties in other academic subjects. The music room, well-equipped with a variety of musical instruments, facilitates a comprehensive musical education.

DANCE

Dance holds a prominent place in our school curriculum, providing students with opportunities to enhance their learning, excel in their performances, and showcase their talents. Our dance programs serve as a creative outlet, especially for students who may find challenges in other academic disciplines. The dance studio is well-equipped with a range of facilities to support a comprehensive dance education, fostering a vibrant and expressive atmosphere for our students.

MEDICAL AID AND CHECK UPS

To meet the needs of preliminary medical help, our school has a well-equipped 2 bed medical room. Regular medical check-up camps and vaccination camps are organized term wise by expert medical practitioners. We have a stretcher, wheel chair, oxygen cylinder and other basic and necessary medical aids.

WORKING TOGETHER- PARENT TEACHER MEETINGS

Collaborating closely with parents and guardians is integral to maximizing the success of each student. We encourage and value the active participation of parents and guardians, regularly seeking their feedback on anything that could contribute to the well-being of the students. Our ongoing commitment is to foster, uphold and create opportunities that facilitate the holistic development of our students.

HOUSE SYSTEM

The school operates an efficiently structured House System, consisting of four houses: Gandhi, Milkha, Raman, and Tagore House. A central aspect of the House System is the healthy competition among the houses. Numerous academic and non-academic competitions are organized, including essay writing, debates, extempore speaking, speeches, singing, dancing, mono-acting and various other events. These activities not only offer a respite from traditional classroom learning but also serve to stimulate the creative talents of the students.

COUNSELLING AND GUIDANCE

Teachers keep students updated on the latest information about competitions taking place in different regions and at various times. The school authorities also invite visiting lecturers or facilitators to share recent strategies and techniques with the students. For those facing severe emotional difficulties or personal challenges requiring additional assistance, confidential and sensitive support and counseling can be sought from trustworthy teachers.

FELICITATION, MEDALS AND ACHIEVEMENTS

We believe in recognising and celebrating every child's effort and success. Students are regularly felicitated with medals, certificates, and awards for excellence in academics, sports, cultural activities, and overall development. Such recognition motivates students to strive for their best and builds confidence and a positive attitude towards achievement.

THE DOON ETAH ADVANTAGE

Choosing the right school is one of the most important decisions a parent makes for their child's future. At Doon Public School Etah, we believe in nurturing every learner to become confident, compassionate, and capable individuals ready to face the world.

Early Childhood Development & Education (ECDE)

Childhood shapes the most formative years of your child's life. After years of research, the experts at Doon Etah have come up with the best in-class learning methods & activities.

Grow as an Individual

School is where your child gets his/her first sense of individuality. We, at Doon Etah understand this and strive to provide an environment where each child can explore her unique ability and infinite potential.

Self Reliance

We ensure that children independently learn to do tasks like eating, drinking, talking to others and many more.

Learning How to Learn

At Doon Etah, we equip our children to handle the uncertainties of life, for we believe in making them independent and self-sufficient. We also orient them with real-life application so that they are ready for life. In short, we nurture our children to make them the 21st century children in the true sense!

From Foundation to Future

With a seamless academic journey from Early Childhood Education to Senior Secondary, Doon Etah ensures continuity, consistency, and excellence at every stage.

Peer Interaction

At Doon Etah, the interactive and participative nature of activities effectively enables the kids to develop a high level of interpersonal skills. Our innovative curriculum is engineered to ensure an all-rounded, holistic development of a child

Proven Track Record

Our students consistently excel in academics, sports, and creative pursuits, making Doon Etah one of the most respected educational institutions in the region.
